

**STAR OF THE SEA SCHOOL
ROCKINGHAM
MEMO TO PARENTS**

To: All parents & students
From: Tim Emery
Subject: New Principal Appointment
Date: 2 April 2015

Dear Parents and Students

You were advised in a recent letter that I will be finishing at Star of the Sea school at the end of Term Two and that a process would commence to appoint a new Principal. That process has now been completed and Mr Steve Dowie has been appointed Principal. He will take up the position at the commencement of term three 2015.

Steve is currently Principal at St Damien's Catholic Primary School, Dawesville, a position he has held since the school began ten years ago. Prior to this Steve was Principal at Holy Rosary School, Derby.

Steve and I will meet for several handover sessions during term two and Steve will visit and meet staff and children prior to commencing in term three.

Kind regards

A handwritten signature in blue ink that reads "Tim Emery".
