
SOTS OUTSIDE SCHOOL HOURS CARE

Dear Parents and Families,

We have been having so much fun at Before and After School Care we almost forgot that the holidays are around the corner!! Luckily the children have been keen to remind us what they would like to do over the Term 3 School holidays at SOTS OSHC. We would also like to inform Parents that as from 2nd October 2017 we will now be serving breakfast at the centre and our opening hours will be from 6:00am to 6:00pm for both the Before and After School Sessions and Vacation Care.

Our program is available to school aged children from 4-12 years of age. It has been developed to ensure that children in early to middle childhood have access to age appropriate recreational experiences that promote social interactions as well as opportunities to engage with the community around them.

The program will follow the EYLF and My Time, Our Place Curriculums and will comply with the National Quality Framework as well as the Education and Care National Regulations and Act. Programs are developed in consultation with the children attending the service and will be based on the children's interest.

Please consider the centre policies in which we operate by when attending the service.
